****Travel, Accomodation & Expenses****

DevFest Vancouver is a community-driven and volunteer-supported event. Your contribution is totally voluntary. You get a complimentary free ticket to attend and present your talk.

Unfortunately, we are unable to support travel/accommodation for speakers. If your company is able to cover your travel and accommodation expenses to speak at DevFest Vancouver, please let us know as we may be able to add your company as a sponsor for the event

A brief idea about the audience:

Majority of our target audience is students/job hunters including developers/designers/non-tech and tech professionals but not limited to this. Anyone from any background is welcome to attend our conference.
